Thanks much for the update, Andy. That's great.
And thanks for keeping us in the loop Re announcements and roll-out plans.

Subject: NCA4 Summary Findings
Importance: High

Mike K let us know this afternoon that the NCA4 Summary findings have been approved, in the form that was approved at the beginning of the summer, without the text boxes and with the phrasing that connects reductions in emissions to reduced impacts.

The price for this agreement is that the publication date has been moved up to November 23.
